- The Management of Avoca Valley Boarding Cattery reserves the right to consult a Veterinarian and/or transport a Cat to a Veterinary Clinic, at the owner's expense, should the need arise in the opinion of Management. Every endeavour will be made to contact the owner or owner's nominated contact prior to contacting Veterinary advice, should time allow.
- Management will act solely upon the advice of the Veterinarian as to the appropriate treatment of the cat, where the owners are unable to be contacted.
- All cats accepted for boarding will have a current Vaccination Certificate issued by a Veterinary Clinic

- All cats accepted for boarding will have been treated for and will be free of fleas and internal parasites prior to entering the Cattery. If a cat is found to be suffering from fleas or internal parasites, the Cat will be treated at the owner's expense. (\$20 per treatment).
